## Sandhurst's Great victory

### Athletics

IT was not exactly a walk in the park but Sandhurst Joggers still emerged victorious from Saturday's Runnymede Relay.

This, the 25th, was the biggest race in the event's history in Windsor Great Park.

Fine runs by Mark Fallowfield-Smith, Dave Breslin, Clive Rolfe and James Ratcliffe meant that, with two legs to run, Sandhurst A were in third place, just over three minutes behind the leaders.

Graham Robinson, with the second fastest time on the day, took the team into first place, with just over a minute's lead.

On the last leg Stuart Boswell held this lead to take Sandhurst's first relay victory of the season and their first in this prestigious event; to top a great day for the club, Sandhurst B and C teams came home in seventh and ninth respectively.

### Athletics

SANDHURST Joggers emerged victorious from Saturday's Runnymede Relay.

This, the 25th, was the biggest race in the event's history, held, as always, amid the beauty of Windsor Great Park.

Fine runs by Mark Fallowfield-Smith, Dave Breslin, Clive Rolfe and James Ratcliffe meant that, with two legs to run, Sandhurst A were in third place, just over three minutes behind the leaders.

Graham Robinson, running the second fastest time on the day, took the team into first place, with just over a minute's lead.

On the last leg Stuart Boswell held this lead to take Sandhurst's first relay victory of the season and their first in this prestigious event — some achievement for such a small club.

To top a great day for the club, Sandhurst B and C teams came home in seventh and ninth respectively, with three other teams from the club also taking part in the event.
