Jenny and Graham

The next 2 relays are almost upon us, and it would be great to get as many teams at them as possible. They are both short, so no excuses...Details below:

Wednesday 11 July -Bounders Relay (Broadmoor - 7pmor 7.30pm, not sure yet)- 4 legs of 2.5 miles around Broadmoor, 1 vet or woman needed per team

Tuesday 24 July- Dinton Pastures Relay (Winersh - 7pmor 7.30pm, not sure yet)- 3 legs of about 3km, no watch allowed and closest to your estimated time wins.

Please let me know if you haven't already if you want to run in them. Please email me

Peak District Relay (Sat)

Hopefully, a report will follow on the website about our trip to the Peaks last weekend. I certainly had a great time in my first experience of the event. As the South's only representative up North, we put on a good show and finished 7th out of the 12 teams. None of us got seriously lost either (despite certain members of our squad not looking at their routes before the event). Oh, and Alan Kirby's self-proclaimed "Chaos Theory" of organisation seemed to work out in the end....
